

2012 Sheridan Business Directory

Advertise your business, your skills, or your hobbies in the 2012 Sheridan Lutheran Church Business Directory. This Directory will be available at the church and distributed to Sheridan members and friends throughout the year. The Directory provides a way for advertisers to gain new customers for their business as well as providing consumers an opportunity to support fellow church members.

Categories are determined based on the responses, but typically include: Home Repair, Home Construction, Auto Repair, Lawn Care, Attorneys, Doctors, Dentists, Financial Planning, Real Estate Sales, Retail Business, Sewing, Florists, Home Cleaning, Child Care, Preschool, Catering, Hair Salons, Home Accessories and many more.

Children and youth age 18 and under who would like to advertise their skills or available labor are able to do so without charge. Categories might include babysitting, lawn mowing, snow removal, or pet walking.

To include your business or your special skills in the directory, please send the following form to the church along with a \$25.00 check made payable to Sheridan Lutheran Church. (Renewals are \$10.00 for those who advertised in the 2011 Sheridan Business Directory.) Information must be received by February 19, 2012. The 2012 Directory will be completed and distributed in March.
